The 22st Amsterdam Colloquium

The 2019 edition of the Amsterdam Colloquium is the twenty-second in a series which started in 1976. Originally an initiative of the Department of Philosophy, the colloquium is now organised by the Institute for Logic, Language and Computation (ILLC). This booklet provides information about the Colloquium, locations, and programme.

Keynote lectures

The programme of the 22st Amsterdam Colloquium includes seven **invited lectures** by renowned experts in the field:

Kathryn Davidson (Harvard)
Lucas Champollion (NYU)
Imogen Dickie (St Andrews)
Fabrizio Cariani (Northwestern)

Workshop: Semantic Universals

Terry Regier (Berkeley)
Suzi Lima (University of Toronto)

Workshop: Super Linguistics

Cornelia Ebert (Frankfurt)
Gabriel Greenberg (UCLA)

In addition, on Wednesday 18 December the E.W. Beth Foundation organises an evening lecture:

Beth Lecture

Ian Rumfitt (Oxford)

Main Venue

The main venue of the Colloquium is the

Centrum Wiskunde & Informatica
Science Park 123
1098 XG
Amsterdam

In view of traffic jams and parking problems, we strongly advise not to get there by car. The easiest way to reach the conference site is by means of public transport or bicycle.

Directions

The conference venue is within walking distance from *Amsterdam Science Park* train station. Direct trains from central station run every 15 minutes. It is also reachable by bus 40 and 240 (stop: *Science Park*).

The Beth lecture will be held at Doelenzaal in the University Library, Singel 425, which is located in the city centre of Amsterdam. It can be reached from Central Station by taking tram 2, 11 or 12 (stop: *Koningsplein*) or on foot.

To plan your trips, use 9292.nl or Google Maps. We have also prepared a map which shows all locations that are relevant for the Colloquium. See the last page of this document as well as the conference website.

Registration and Information

All participants are requested to register on Wednesday morning at the registration desk at CWI. In order to speed up processing, those who have registered beforehand on the website will be handled first.

Social Programme

There will be a reception at Kapitein Zeppos (Gebed Zonder End 5, 1012 HS, Amsterdam) on Wednesday 18 December 2019 from 20:30 to 23:00.
