

Workshop on Matching and Network Formation

Salle 205, Centre de la Vieille Charité, Marseille, France - May 6, 2014

- 09:00-09:15** **Welcome with coffee**
- 09:15-10:00** **Timo Mennle** (University of Zurich) - **An Axiomatic Approach to Characterizing and Relaxing Strategyproofness of One-Sided Matching Mechanisms** (joint with Sven Seuken)
- 10:00-10:45** **Jan Christoph Schlegel** (University of Lausanne) - **Contracts versus Salaries in Matching: A General Result**
- 10:45-11:15** **Coffee break**
- 11:15-12:00** **Aytek Erdil** (University of Cambridge) - **Self-Selection into Contests** (joint with Axel Gottfries)
- 12:00-12:45** **Ana Mauleon** (Université Saint-Louis - Bruxelles and CORE) - **Stability of Networks under Limited Farsightedness** (joint with Jean-Jacques Herings and Vincent Vannetelbosch)
- 13:00-15:00** **Lunch (Bistronome)**
- 15:15-16:00** **Alexandru Nichifor** (University of Saint Andrews) - **Targeted vs. Collective Information Sharing in Networks** (joint with Alexey Kushnir)
- 16:00-16:45** **Rahmi Ilkiliç** (Bilkent University) - **Cournot Competition in Networked Markets** (joint with Kostas Bimpikis and Shayan Ehsani)
- 16:45-17:15** **Coffee break**
- 17:15-18:00** **Markus Walzl** (University of Innsbruck) - **Learning How to Participate in a Mechanism: Best Response to Noisy Play** (joint with Christopher Kah)
- 18:00-18:45** **Bettina Klaus** (University of Lausanne) - **Consistency and its Converse for Roommate Markets**
- 19:30-** **Dinner (La Nautique)**
-

Financial support from **COST Action IC1205 on Computational Social Choice** and **Aix Marseille School of Economics** is gratefully acknowledged.
